

EASIEST FUND RAISER, EVER!

Light of the World Academy still depends greatly on fund raisers. Buses and Kroger both have cash for education/community rewards programs. Once you have designated LOTWA as the organization you would like to support, all you have to do is shop and LOTWA receives a contribution, based on sales, at all participating stores, not just Pinckney. However, we need to enroll, and/or re-enroll, every year. Please also spread the word, through Facebook, or forward this email, or just plain old-fashioned word of mouth and **ask everyone you know** (grandparents, aunts, uncles, friends...) to update their accounts, as well. It only takes a minute but if everyone does it, it will be a great benefit to our school.

To Raise Money for LOTWA Through Busches:

- Sign in to your [MyWay](#) account
- Select “Cash for Education” from the dropdown menu under your name
- Add your organization selections.

To Raise Money for LOTWA Through Kroger:

- • Sign In to your [Kroger Rewards Account](#)
- • Click on the “Community” tab then “In your community”
- • Scroll down, find “Community Rewards” then click on the blue “enroll now”
- • Click orange Enroll Now or Re-Enroll button.
- • Scroll down to “Community Rewards” and click the orange “enroll” button
- • Type “LIGHT” in the search box
- • Scroll down and click on LIGHT OF THE WORLD
- • Scroll to the bottom and click on the orange “Enroll” button.

Done! Thanks for helping LOTWA raise money for our kids!!
